Benefits of Astronomical League Membership

The Astronomical League is dedicated to being the premier organization for amateur astronomy in the United States and in the world. We offer our members:

- ✓ An opportunity to interact with thousands of other amateur astronomers from approximately 270 member clubs and members-at-large from the U.S. and many other countries
- ✓ 40 observing award programs including the Messier, Double Star, Globular Clusters, Dark Nebulae, Flat Galaxies, and the new Stellar Evolution, and Asterism Observing Awards. And for the truly dedicated observer one can earn the Master Observer award
- ✓ Free subscription to our quarterly magazine, the *Reflector*
- ✓ League Sales provides Observe manuals, other publications, branded clothing and miscellaneous items
- ✓ Downloadable outreach posters to help your club connect with the public
- ✓ Great discounts on Guy Ottewell's popular annual *Astronomical Calendar*
- ✓ Major adult recognition awards
 - Mabel Sterns Newsletter Award, Peltier Observing Award, Webmaster Award, Wright Service Award
 - Other awards such as Astronomical League Award and President's Award
- ✓ Three major youth award programs, NYAA, Horkheimer Service & Journalism
 - Winners compete for all-expenses paid trips to our national convention, ALCon
 - Telescopes, life-time access to telescope time at McDonald Observatory and cash awards
- ✓ Opportunity to attend League's national and regional conventions and joint conventions with other organizations such as ALPO
- ✓ Member book service offering 10% discount
- ✓ Astronomy Day awards in conjunction with *Sky & Telescope* magazine
- ✓ As the largest organization of amateur astronomers in the world with approximately 15,000 members
 - Interacts with government and commercial businesses to discuss issues of concern to League members
 - Advocates for preservation of planetariums and other astronomical facilities
- ✓ Outreach projects bring astronomy to the public, youth and teachers
- ✓ Affordable liability insurance policy from broker RV Nuccio & Associates, Inc. for those clubs that own no buildings
 - Log into www.rvnuccio.com/non-profit-insurance.html for more information
 - Application can be submitted online; click on the Astronomical League option when submitting
 - In most cases, it costs less than \$300 for a yearly policy

Our club membership dues are unbelievably low at \$5 per person due in large part to the many dedicated volunteers. Thank you for your membership and support of the Astronomical League.

—Carroll Iorg, proudly serving as your volunteer president

Regional Officers

Open Regional Offices

MERAL Representative

Contact an Officer from the appropriate Region for further information about open Regional Office positions
