

# ASTRONOMICAL LEAGUE LIVE!

August 4, 2023 7:00 PM EDT

**John Goss**

**Real Observing**  
*Discovering the "Why"*

*also*

**Carroll Iorg,**

**Terry Mann, Scott Roberts, and David Levy**

**Astronomical.League**

## **Real Observing**

Nothing matches being under the stars, gazing skyward. Few words adequately describe the feelings encountered ... Wonder ... Peace ... Astonishment ... Contentment.

Join Astronomical League observer John Goss as he goes on a journey exploring the night sky, gaining a sense of discovery of not only what is found above, but more importantly, what is found within.
