

ASTROCON 2025

BRYCE CANYON
NATIONAL PARK

June 25 - June 28, 2025, Ruby's Inn, Bryce Canyon City, Utah

26 South Main Street • www.rubysin.com

Sponsored by the MARS Region of the Astronomical League

This year, we will be under the stars for our conference!

- The Astronomical League is pleased to announce that **ASTROCON 2025** will be held during the new moon June 25-28 2025, at **Ruby's Inn**, near the entrance to **Bryce Canyon National Park**. Along with talks and workshops given during the day, nightly dark-sky observing will be offered at **Rainbow Point**.
- Bryce Canyon National Park features some of the darkest skies in the United States. Naturally, the National Park Service will hold a nightly public star gaze across the street from the **Bryce Canyon Visitor's Center** for both park visitors and ASTROCON attendees. **Ruby's Inn** is family-oriented with many options for fun and adventures. The area is full of possibilities.
- **Ebenezer's Barn and Grill** will host the **Star-B-Que** Friday at Noon to 2:00 PM and the **Gala Banquet** Saturday night from 5:00 PM to 8:00 PM. A room and/or RV Park/ tent camping site reservation link will be provided via email after registration to the conference has been confirmed. Lodging is available at a reduced rate, and will fill up fast.
- **Speakers and Workshops** will utilize the lecture hall at **Ruby's Inn** and **Ebenezer's Barn and Grill**.
- Reserved rooms available June 23-29. This also includes the RV Park and Campground.
- Enjoy a **vacation extravaganza** to other National Parks and National Monuments within a days drive.
- Many activities available: hiking, mountain biking, horseback riding, guided ATV tours, and scenic flights.

• Featured Workshops:

Astrophotography / Digital Imaging - Novice
Astrophotography / Digital Imaging - Advanced
Observing: Personal Program / Journal
Observing: Tips & Ideas / Eyepieces / Filters
Observing: Charts / Books / Observing Lists
Sketching
